Hi

My name is Eron (Horn) Richmond. Today while seeking geneological info, I came across your posting on genforum. If you don't mind my asking, I am trying to get info on my Horn line which I think is connected. My GGGgrandfather was Henry "Son" Horn Jr b 1837. Brother was Squire Horn. Their father was Henry Horn Sr b about 1804. Is this a son of Frederick and Catherine (I have heard it is, but have yet been able to substantiate it). If so, could you let me know what info you have on them and their ancestors? If this is totally the wrong tree, let me know so I can attempt a new search.

Thanks for your time,
Eron

Zandra,

The deeds are between Henry Horn & William Crum & another Crum I can't remember - they were for certain portions of land in what was then Cabell Co VA - now Wayne Co WV. The money changing hands in each instance was \$1.00 - that's why I thought the transactions might be between family members. I found this Henry Horn in what is now Wayne Co to be the approximate right age, etc. to be our Henry found in Tazewell Co VA in 1850.

I believe you've been in touch with Fay Horn Beck, who is my cousin and who has just completed and published a "Horn-Horne History." She and I have not been able to connect our Henry with the Frederick & Catherine in the Louisa KY area for sure. There is no mention of a Henry in what we found there on that family - there is a James in that family - our Henry is said to have possibly been named James Henry - his second oldest grandson was named James Henry. We just can't put the pieces together for sure.

If you have anything else on the Horns and Crums, I'd like to know about it. Anything I have, I'll be happy to share with you. Please write again soon. May God bless and keep you.

Regards,

June Horn Brown, d/o Luther s/o Cammil s/o Henry Jr s/o Henry Sr.

Thanks again,

Zandra,

Thanks for your response regarding Frederick Horn. I am interested in knowing more about him. When Henry, Sr, his son, married on 02 Nov 1857 in Tazewell County, VA, to Dalcy Mullins, he listed: widowed, age 39 (she 23) born in Pike Co., KY., (She in Russell Co., VA., which is adjacent to Buchanan & Tazewell), his parents as Frederick & Catherine Horn.

I do not know when Henry, Sr. came to Tazewell County. He settled in what is now called Horn Mountain, near Pilgrim Knob, VA. This part of the county was ceded to Buchanan Co. when it was organized in Feb. 1858. He is buried in the Horn Cemetery on Horn Mountain. In searching records I do not find any Horns in Tazewell (or Buchanan) until Henry's name appeared, so I do not believe Frederick came with him. Nor do I know if Henry, Sr. had siblings. He was born March 1817 in Shelby, KY. (which is a little community called now Shelbyana), died 05 Feb 1907 in Buchanan Co. and is buried in the Ward Cemetery in Pilgrim Knob, VA. Henry Jr. (called "Son") was married in Tazewell Co. and his second marriage shows his parents as Henry & Sarah Horn. His sister, Arminta Jane married the same year & her parents are listed the same, she said she was born in Wane (Sp?) Co. My grandfather, James Henry Horn, told me when I was a young girl that his grandmother's name was Katie Short (which could account for the marriage to Sarah Short), but could her name have been Sarah Katherine? This was a popular name then and my grandparents named one of their daughters Sarah Catherine. Pike

I am unable to locate anything in any of the surrounding counties that relate to Henry or Frederick in this time frame, except the one Louise Perkins sent me. I would really like to verify that they are father & son. Do you have anything on this or any suggestions? I plan to go to KY within the next month. Pikeville is only about a 2 hour drive from my home.

I have a picture of Henry Sr. & Jr. which I will send you a copy of if you want it. Also, I would like to have one of Frederick. Photography is one of my hobbies and my camera allows copying of photos, so I do a lot of this. I will reimburse you for the cost of copying, or return the original to you.

If you have anything I would find useful, please send it to me. If you will send me your mailing address, I will send the picture & other info. you may want.

Thanks again,

Hi Zandra, Sorry that it took me so long to get this to you. It's been busy. Here is the info from Larry Ratliff on Henry Sr:

I believe Henry Horn Sr. first wife was Sarah Short, born 1811 in North Carolina. There was a Henry horn that married a Sarah Short in Lawrence Cty, KY on 13 Apr 1839. Remember that Pke Cty butted up against Lawrence Cty. I have records that shows four (4) different names for Henry's Horn's wife's name. Henry Horn's first daughter Arminta Horn married Moses Muncy on 9 Jul 1857 and that record says that Arminta's parents are Henry and Sarah Horn. The 1850 Census for Tazewell Cty, VA shows his wife as Sally. Squire Horn, the second son of Henry, married his third wife Mary France Keen and that record shows his parents as Henry and Tilda Horn. Then Squire's death record shows Henry Horn and Mattie Short as being his parents as reported by Witcher Horn the oldest child of Squire Horn.

The only thing that I can think of is that her name could of been Sarah matilda Short. Then Sally would be the nickname for Sarah and Tilda and mattie would be short for Matilda, and the maiden name of Short as shown on Squire's death record, and Sarah that shows up on Arminta's marriage record tells me that her name was Sarah Short. A middle name of Matilda satisfies the names of Tilda and Mattie.

I need to also mention at this time that Hannibal A. Compton said in his book "A brief Story of Buchanan County" that Henry Horn, Sr.'s first wife was Daisey hall. I have never found anything on a Daisey Hall so I don't know where Mr. Compton got that information. He wrote this book in 1958. Hannibal also said that Henry and his first separated. Does anyone know about this?

I show that Henry and Sarah had three children:
Henry Son Horn, b. 6 Mar 1837, d. 5 Feb 1907
Arminta Horn, b. 1840, d. unknown
Squire W. Horn, b. 15 Sep 1842, d. 16 May 1918.

Henry's second wife was Dacy Mullins. M. 2 Nov 1857 in Tazewell Co, VA. Dacy was born ca 1834 in Russel Co, Va., daughter of William and Juda Mullins. Children of Henry and Dacy:

Harland Horn, b. ca 1957 (may have been Henry and Sarah's child)
Susan Horn, b. ca 1858
A girl, b May 1860
James Horn
John Horn
Wallace Horn
Gordon Horn
Susie Horn m. ? Brown
Minnie Horn never married
Jane Horn m. Jim Cantrell

Henry's third wife was Nancy ann Compton, the illegitimate daughter of Betsy Compton. Married in 1876. Children:

Some Descendents of Henry Horn Sr.

HENRY HORN SR.

HENRY HORN SR. was the ancestor of the whole family of Horns in Buchanan County Virginia. Henry Horn Sr. was the son of FREDRICK HORN and CATHERINE SINN. Fredrick Horn was listed in the 1810 census for Floyd County Kentucky. Henry was born about 1818 in Pike County Ky. however it was Floyd County Ky. because Pike County was never formed until 1822. Pike County and Lawrence County was both formed from Floyd County in 1822. I need to check the location of the land that Fredrick Horn owned. It is possible that he owned land in Floyd County in 1810 that became Pike county in 1822 and still on the border of Lawrence County as all three (3) counties came to a common point in that time period.

Just as a point of interest I checked the marriages of each of the three (3) counties from the time they were formed through 1860. FLOYD CO. KY. -- George Horn married Rosanna Dillon 18 Feb. 1832, Michael Horn married Susanna Crum 4 Aug. 1833, John Horn married Polly Ann Riddle 14 Aug. 1839, Thomas Horn married Nancy Barnett 30 Jan. 1842. Pike County Ky. -- Henry Horn married Eliza Johnson 11 Nov. 1857.

Dear Louise:

I apologize for the delay in answering your letter in which you enclosed some interesting information on our Horn roots.

Enclosed is a picture of Henry Horn, Sr. and Henry Horn, Jr., who was known as "Son". Do either of these look like any of your ancestors?

I must not have given you complete information on Henry Horn, Sr., so am enclosing all the information I have.

Henry Horn, Sr., b. Mar 1817, KY. My aunt says she was told he came from Shelby, KY. I cannot find any town by that name in Pike County or nearby counties. When he married Dalcy Mullins in Tazewell County, VA., he gave Pike County as his place of birth. However, he may have just lived there for a time and considered it his home. He married Sarah Short 13 Apr 1839, Louisa, Lawrence County, KY. Information I have says Sarah/Sallie was born 1821, NC., and died 1856, McDowell Co., VA. (now WV). I have found no evidence of her birth or death myself so cannot prove this.

Sarah and Henry had three children: Henry, Jr. "Son", b. 06 Mar 1837, Pike Co., KY; Arminta Jane, b. 1839, Wayne Co., (no state listed so it could have been KY or WV); and Squire Washington, b. 25 Sep 1842. Henry married Dalcy Mullins 02 Nov 1857, Tazewell Co., VA. and they had nine children. When Dalcy died in 1876 he married Nancy Ann Compton the same year and they had eight children. In all Henry had 20 children. No wonder there are so many Horns around! I have names and wives of all children if you are interested.

Henry, Sr. died in 1905 in Buchanan Co., VA. He is buried on Horn Mountain in Buchanan Co. Henry, Jr. died 05 Feb 1907 and is buried in the Ward Cemetery, Pilgrim Knob, Buchanan Co., VA.

From the date of the birth you have of Katherine, she would have been about 42 years old when Henry was born and about 49 when James was born.

I have not been to any counties in Kentucky except Pike and found nothing concerning Frederick there.

The DAR has a record of Frederick Horn, b. 26 Mar 1756 in PA, d. 25 Mar 1838 in Cincinnati, OH. His first marriage was to Susanna Marie Haymes, b. 01 Aug 1779 and second marriage was to Catherine Sinn, b. 28 Nov 1758. Copy of his will states that all of his property goes to his children by his first wife (no mention of Henry anywhere) with Catherine having life interest in the property. In this case Catherine would have been

about 59 when Henry was born. I was so sure this would have been helpful. There are more Frederick Horns in PA about the same time but haven't had a chance to check them out.

I know this is long and probably not very helpful. I would like any other information you may have come up with. Also, my hobby is photography, so will send pictures if you want any I may have. Would also copy yours and return them.

Hope you have a good summer and would love to hear from you. I plan to go to KY later and if you can think of something you haven't checked on, let me know.

Sincerely,

Fay Horn Beck

We are probably related. How much information do you have on the family. Henry Horn lived primarily in the dismal river area of Buchanan County. My research stops with the same marriage to Dacy Mullins. I have been told that the male line came from North Carolina and Henry's father was named FREDRICK. James Horn B.1827 in Ind.married Jane Mullins B.1830.

Married 1846 in Lawrence Co.Ky.Jane Mullins was raised by Henry Hobbs.

James Horn was captured by the confederate Soldiers during the Civil War,while making Sorghums at his home on Little Elk Creek,just a few hundred yards above the Robert Music place.

James with other men in the community hid in a cave in the hills.They had a small fort built across the entrance of the cave.The Cliffs were located in the hills above the Sherman Maynard place.They say you can still see those caves.

James was captured about 1862-63 and held in a Southern Prison for 1½ years.It may have been Andersonville,Alabama. While he was in prison,he nearly starved to death.

When he came home to his family,he bought a tract of land at the forks of Turkey Creek.This land extends up both Spruce Pine and Long Fork.They still bear the same name.

James must have died in the early 1890's.

Jane Mullins Horn remarried David Crum in Dec.9,1899.

They were married at the Turkey School House by John Mosley.

Dear Chafin Descendant,

Thanks to much outside help from others researching the Chafin line and especially from information sent me by Mrs Jean Klein of Alton, IL, I have an update for you which I shall call "The Genesis of the Thomas Chafin family - What is known to Date."

To simplify identifying your forbears, I shall capitalize their names and, where possible, to limit confusion show their birth dates.

In the beginning God created the Heaven and the Earth. In around circa (ca.) 1690 among his creatures was born CHRISTOPHER CHAFIN and a young lady SARA, whose maiden name is yet unknown. They married and in ca. 1716 a son JOHN CHAFIN was born.

Sometime between 1716-1773 JOHN CHAFIN married, to whom I do not know, but this marriage was favored with five children, CHRISTOPHER CHAFIN SR (no doubt named after his grandfather - it appears customary in this line to name the children after aunts, uncles etc.) who lived until 1768 when he died in Cumberland County, VA., Joshua Chafin who lived until 1804 and died in Charlotte County, VA., Rachel Chafin, Ruth Chafin (no death facts on them yet), and Joseph Chafin who died in 1812 in Bedford County, VA. *ALSO, A DAV. MRS. THOMAS HUCKABY (HUCKERY/HUCKERBY) SR, WIFE OF SUN WAS WILLED 130 acres of land on which his parents had lived, & THE JOHN B. TAYLOR A JOHN OF GLOUCESTER CO. VA, LEASING RELEASING LAND IN ESSEX CO. VA IN 1717. IS THE*

On 3 June 1753, JOHN CHAFIN (b. ca. 1716) sold his son CHRISTOPHER CHAFIN SR for the sum of "Eight pounds currant money", one tract or parcel of land containing two hundred acres granted to his father JOHN CHAFIN (b. ca. 1716) by patent dated 6 July 1741. CHRISTOPHER CHAFIN (SR) was living on the land. *THOS JR. NAMED AS HIS GRANDSON BY JOHN CHAFIN.*

JOHN CHAFIN (b. ca. 1716) left a will dated 26 June 1767 which was probated 25 January 1773. Sons named were CHRISTOPHER (SR) and Joshua; daughters Rachel (Chafin) Smith and Ruth (Chafin) Bradley. Executor was son Joseph Chafin.

Now CHRISTOPHER CHAFIN (SR) lived on this land until 2 April 1768 when he sold the land to a Nathan Chafin.

During his marriage, to the yet unidentified wife, CHRISTOPHER CHAFIN (SR) sired a son named CHRISTOPHER CHAFIN (JR) (b. ca 1757).

On 22 August 1768 at a court for Cumberland County, VA on a motion of Standley Chafin, letters of administration of the estate of CHRISTOPHER CHAFIN (deceased) was granted whereupon Standly Chafin, Mark Andrews, Joshua Chafin, and Nathan Chafin, his securitys, entered into a bond according to law. CHRISTOPHER CHAFIN left no will.

On 24 May 1773 at a Court for Cumberland County it was ordered that the church wardens of Littleton parish bind CHRISTOPHER CHAFIN JR (b. ca 1757) orphan of CHRISTOPHER CHAFIN, deceased, to Thomas Tinsley a blacksmith.

In February 1776, CHRISTOPHER CHAFIN JR (b. ca 1757) at age 18/19, while a citizen of Cumberland County, VA, went to Prince Edward County, VA and enlisted in the Revolutionary Army under Captain John Martin, Colonel Robert Lauson and General Stephens for two years. He marched from Prince Edward County to Norfolk where he remained until late in the fall of 1776.

He further indicated, in testimony to earn a pension, he was in a little scrimmage with Dunmore. From there he marched to Trenton (NJ) and was there at the time of taking the Hessians on the day after Christmas 1776. From there he marched to Princeton where he was in battle with the British. He marched back to Philadelphia to guard prisoners and then to Albemarle, VA., and then back to Valley Forge where he was discharged by Brigadier General Charles Scott in February 1778.

On 22 August 1778, CHRISTOPHER CHAFIN JR (b. ca 1757) and MARY ANN VAWTER (b. ca. 1761) were married by John Hyde Sanders, a minister of the Gospel, in Powhatan County, VA. This event was recorded in their Bible, however, the Bible was lost when they moved to the western part of VA.

Somewhere between his marriage to MARY ANN VAWTER and his death in 1836, CHRISTOPHER CHAFIN JR (b. ca. 1757) sired two children CHRISTOPHER CHAFIN III (of course) and Tabitha Chafin (b. 22 November 1779). (Tabitha's married name was Harvey.)

Here we lose track of CHRISTOPHER CHAFFIN III for awhile.

On 18 November 1833, CHRISTOPHER CHAFIN (JR) (b. ca. 1757) now 75/76 years old applied for a military pension, and was granted a pension of \$80 per annum under the Act of 1832.

CHRISTOPHER CHAFIN (JR) (b.ca. 1757) died on 10 October 1836 in Tazewell County, VA.

MARY ANN (VAWTER) CHAFIN (b. ca. 1761) and daughter Tabitha (Chafin) Harvey (b. 22 November 1779) appeared in Felicity, Ohio (Clermont County) in 1841. It is possible that MARY ANN CHAFIN moved there as early as December 1836. MARY ANN CHAFIN (now 80 years of age) seeks continuance of her husband's military pension and she was placed on the Ohio pension roll and granted retroactive pension of \$80 per annum from 10 October 1836 (death of her husband). Cannot understand in the testimony to get this pension why there was no mention of son, CHRISTOPHER CHAFIN (III). Certificate was issued 13 June 1843. (SON, CHRIS III HAD "DISAPPEARED" IN 1830'S - FATE UNKNOWN).
Franklin 8/21/86

CHRISTOPHER CHAFIN (III) (b. ca. 1782-1785) surfaces again and we find him on the Floyd County, KY side of the Tug River. He married MARY ROBERTS and in this marriage sired:

1. Joshua Chafin (b. ca. 1802/1812) - who first married Nancy White, and second Sarah Collins).
2. Alafair Chafin (b. ca. 1806) - who married Isaac Nelson.
3. Stanley Chafin (b. ca. 1810) who first married Sarah Copley and second Ann Fluty).
4. Mary Ann Chafin (b. ca. 1814) - who married Solomon Baisden in Lawrence County, KY.
5. Pleasant Chafin (b. ca. 1815) - who married Polly Chapman.
6. William Chafin (b. ca. 1818) - who married Sarah "Sally" Deskins in 1836 in Pike County KY.
7. NATHAN CHAFIN (b. ca 1820) who is your forbear and first married MATILDA VARNEY (b. ca. 1820) on 19 October 1837 and then Elizabeth New on 22 December 1879.
8. Margaret Chafin (b. ca. 1822) - who married James Copley.
9. Thomas Chafin (b. ca. 1824) - who married Jennie "Jane" Horn and died in Martin County KY in 1900.
10. Elizabeth Chafin (b. ca. 1828) - who married Harrison Blair.

THE GENESIS OF THE CHAFIN FAMILY - Page 4

Now CHRISTOPHER CHAFIN III (b. ca. 1782/1785)/MARY ROBERTS' seventh child, NATHAN CHAFIN is your forbear. On 19 October 1837 he married MATILDA VARNEY and sired ten children:

1. Sarah (b. ca 1838 - who married William Johnson McCoy).
2. Andrew Jackson (b. ca 1842 - who married first Sarah ____, second Levicy Mounts, and third Jude _____. There had in my earlier papers been some confusion that he was the father and Vicey Mounts the mother of THOMAS CHAFIN, but in truth it turns out that he was the brother and she the sister-in-law. At least seven children were born of this marriage.
3. Levicy Chafin (born ca. 1843 - who married William Anderson "Devil Anse" Hatfield on 18 April 1861 and died of pneumonia on 15 March 1929. Twelve children were born of this marriage.
4. Mary Chafin, of whom little is known.
5. Nancy Chafin, of whom little is known.
6. Elizabeth Chafin (who married Elias Hatfield, parents of Henry Drury Hatfield MD, former Governor of WV and US Senator).
7. THOMAS CHAFIN (b. 18 September 1853 in Sidney KY - who married SARAH JANE CHAMBERS on 24 April 1881 in Logan County WV and died of a heart attack at 6:15 a.m. 14 February 1931 at age of 77.
8. Moses Chafin (b. ca 1855 - who first married Rebecca Ferrell and sired 3 sons; second Josephine Mc Coy and sired a daughter; and third married Mary Mc Coy and sired a daughter.
9. Jane Chafin (b. ca 1858) of whom little is known.
10. John Chafin (b. ca 1860 - married Martha Farley).

(1879) NATHAN CHAFIN and MATILDA VARNEY were divorced and on 22 December he married Elizabeth New who brought to that marriage four children by a previous marriage. From THOMAS CHAFIN's obit I surmise that there were children of this latter marriage to account for the reference to "half-brother in Kermit" in the obit, unless Elizabeth New's son, Harrison, was that half-brother.

THE GENESIS OF THE CHAFIN FAMILY - Page 5

In the 1880 Census of the U. S., THOMAS CHAFIN (Age 26) and his mother, MATILDA (VARNEY) CHAFIN (Age 60) are shown living in Magnolia District in the home of his younger brother John Chafin (Age 20), John's wife, Martha (Age 17) and a William F. Ferrell (Age 28). John is listed as head of the household.

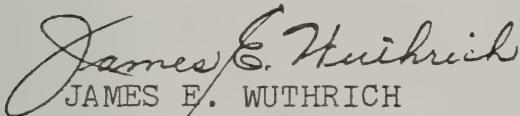

THOMAS CHAFIN's brother, Moses Chafin, is shown living two houses away.

THOMAS CHAFIN's brother, Andrew Jackson Chafin is shown living in Magnolia District with wife Levicy (Mounts) (Age 26) and seven children.

THOMAS CHAFIN's father, NATHAN CHAFIN (Age 60) shown as head of household living with wife Elizabeth (age 40) and four step-children in Hardie District.

And hopefully you know the rest of the story. More when I find out more.

Sincerely,

JAMES E. WUTHRICH

husband of

MARGIE FRANCES WARD WUTHRICH

Note: MATILDA VARNEY (b. ca 1820) daughter of Andrew Varney and Sarah Stafford may have been THOMAS CHAFIN's second wife. There is some indication that he was married before and the name of Ruth Christian has been mentioned as the possible identification of the first wife. This could account for the reason in 1880, at age 26, he was living with his mother at his brother John's home.

Additional thanks must go to Glenda Doult of PA who gathered much of the essential data.

Dear Zandra,

How good it was to hear from you, your letter arriving yesterday afternoon. It is always good to hear from a fellow researcher, even though my work has kept me from research the last six months.

I must burst your bubble, or at least squeeze it a bit, as I cannot verify "Mills" as the maiden name for Katherine Horn. You see, I can only assume that this was her maiden name and that she, as many widows of her day, resumed it after the death of her husband. He died in 1841, and she gave consent for my ancestor (Jane) to marry Thomas Chafin signing "Katherine Mills." It is, of course possible that she remarried in so short a time, but thus far I have found no record of such. The maiden name which many in my family have cited for her was "Mullens." I have no assurance of that name either, however, so I have elected to go with Mills until I can be sure otherwise.

Regarding your ancestor, James Horn, I don't know where I got it, but my records show him born in 1822. I fear that much of the proper documentation that I have had, I have no more. I am sure you are correct on this. If you have further interest in this family, I would be most happy to send you group sheets on all of them that I have. Concerning the Hobbs family, it is interesting to note that my information lists your Jane Hobbs as Jane "Mullens." I see that your pedigree chart lists her father as a Mullins and her mother as Hannah _____. If you find anything further on them, I would be fascinated to hear of it. I will likewise inform you. I know that somewhere in my files I have more on this family, but I have been out-of-touch with this obsession too long to put my fingers on it easily.

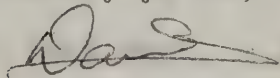

It would be difficult to imagine any family living in the Tug Valley all those years and not being married or otherwise connected to the families you have named. I, too, am of Crum, Hammonds, Horn and Jarrell ancestry. I hope that we can shed some light on one-another's research in the future. I have not yet identified the Jarrell and Hammonds connections, and I am not quite certain enough about the Susannah Crum, but we are certainly related, and so I hope you don't mind me calling you "cousin," and wishing you further success with your work. I hope you stay in touch and will keep

me abreast of your results. If you have further on any of these families that you would care to share, I should be most interested in hearing it. You see, I have a very dear friend and cousin who may well be related to you in some fashion through your Susannah (Crum) Horn family. Do you happen to know if this Susannah was ever married to a Dingess and an Aldridge? I see that Michael outlived her, so if that were the case, they must have been divorced.

Oh, well, cousin, I should really get back to work. Thanks so much for rekindling an old and nearly forgotten spark of excitement for my past. Now I'll have to write to all those dear folk whom I've neglected in trying to become a stock broker. I hope they will all forgive me.

The very best to you, Zandra. Take care!

Sincerely yours,

David T. Chafin

P.S. No further SASE
necessary for your
correspondence.

If you have further on what you would care to share, I would be interested in hearing it. You are in some fashion through your family. Do you happen to know was ever married to a Duggess and I see that Michael outlived her, so were the case, they must have been divorced.

Well, certainly, I should really get back to work. I'm so much for rekindling an old and nearly ten spark of excitement for my past. How vital to all those dear folk whom I've trying to become a stock broker. I'll forgive me.

Dear Mr. Harr,

Thank you for your reply to the letter I sent to the Library at Blountville. I have been searching for 3 years for the wife of Joel Horn, and I knew someone would know who she was. Yes, I would like copies of all 14 pages of the Harr family history, if it can be copied.

I am sure we are related to all three Horns you mentioned. The Joel Horn was my husband's great-grandfather. His first wife, mentioned on the 1850 census of Washington Co. Va. was Mary A. born Tenn. about 1815. She died around 1851-54 as the 1860 census shows Joel with a new wife and 2 small children by her. Joel and Mary A. had 5 children. *where was she buried??*

- ① Lydia Ann b. ca. 1840 m. Samuel Patton Vickers, Wash. Co. Va. died 1919 Wash. Co. Tenn.
 - ② Abraham (Able J. B.) b. 1842 m. Melissia ____ Also born Tenn. civil war
 - ③ William H. b. 1843 Tenn. m. Elizabeth Jane Self. fought in Civil war
 - ④ Ellen Catherine b. 1845 Tenn. m. Henry Harvey Hobbs. 31, Jan. 1864 Wash. Co. Va. (Had 4 sons, one granddaughter still lives at Mendota, Va. Mrs. Verlin Sproles.)
 - ⑤ Martha J. b. 1848 Virginia, m. Benjamin Estill Pippin 1874. They had 1 dau. Cynthia, She must have remarried later, for we lost track of her.
- Mrs. Linda Vickers, 1755 Reedy Creek Rd. Bristol, Va. 24201 is a daughter-in-law of Samuel Patton Vickers III, and she sent me a lot of information on Lydia A. (Joel and Mary's first daughter)

Abraham, their 2nd. child had a son named Benjamin. Could this be the Benjamin who married Elizabeth Ann Harr???

Melvina Horn who married Adam L. Harr was the daughter of John Horn and Sarah Minnick. John Horn and Joel Horn were brothers, both the sons of Anthony Horn and Susannah Fleenor. Susannah Fleenor was the dau. of John Fleenor and Catherine (Gobble)?? (Some question her last name!) John Fleenor was the son of Johann Flinner/Fleenor from The Rineland, Germany. His wife was Anna _____. They came to America about 1725, settling in Pa. then Md. then to Washington Co. Va. about 1773.

I am enclosing a check for the amount of \$2.50 for the copies and postage. If it is not enough, please let me know and I will be glad to send it. If I can tell you anymore about the Horns, let me know. My husband's line comes from Joel and his second wife, Melvina Chapman, their first son was Elbert Severe Horn b. 1856, my husband's grandfather. I am trying to write up a complete history on the Horn family, and welcome all the facts

Why should I murmur when trouble appears
Be trusted my dark spirit,
The worst that can come
It shortens my journey
And hastens me home

It is not in my power to know
Why days of sorrow come
Or why the darkest hours are so
When hope and faith have flown
I can not know why burdens press
And trials meet my way,
Why blessings now are so much less
Than those of yesterday.

But it must be that heaven sees,
And God permits the test
That I might seek on bended knees
The blessings He thinks best,
So I'll not murmur nor complain
When dreary days are mine,
The selfsame power that pours out rain
Will cause the sun to shine.

PORTER-MILLS- RIDDLE-HORN

Oma Griffith, 2304 Ozark Drive, Arlington, Texas 76014, needs information on Joseph Porter, born ca 1820, who married Polly/Mary Ann Horn, November 17, 1841 (File #690) in Pike County, Kentucky. Who were his parents? When and where did he die and where is he buried?

Mary Ann or Polly Ann Horn was Mary Ann Riddle. She married first John or Johnathan Horn, August 14, 1839, in Floyd County, Kentucky. They had at least one child, Amanda Horn, born ca 1839-1840.

Mary Ann Riddle was a daughter of "Polly"/Mary Mills of Pike County, Kentucky. Mary Mills' maiden name may have

been Riddle. She married William Mills and they resided in Washington County, Virginia, before moving to Pike County, Kentucky. They were living in Pike County in 1850 and had two sons, Columbus Mills, born ca 1834, and George Mills, born ca 1839. Columbus Mills married Mary Scalf, daughter of Britton, November 13, 1855, in Pike County, Kentucky.

When Mary/Polly Horn married Joseph Porter in 1841, Mary/Polly Mills gave consent and called her "my daughter."

Mary (Riddle) Mills died December 20, 1853, in Pike County, Kentucky, and her parents were listed as Thomas and Mary Riddle. William Mills then married Sarah James, September 18, 1855, in Pike County, Ken-

tucky. She was a daughter of John James. Where is Mary Mills buried? Probably somewhere on Johns Creek?

Joseph Porter and Mary Ann (Riddle) Horn Porter had the following known children: 1) Drury/Drewery Porter, born ca 1843; 2) Mary J. Porter, born ca 1846; 3) Arminta Porter, born ca 1848; 4) Christopher C. Porter, born ca 1853; 5) Sarah Adaline Porter, born ca 1856; 6) Susan Porter, born ca 1860; and 7) Victoria Porter, born ca 1865.

In 1870 Polly/Mary A. Porter is living in Floyd County, Kentucky, with her children and Joseph is evidently deceased.

Amanda Horn, Mary Ann's child by Johnathan Horn is living with her along with her Por-

ter children that are still at home, and one child, John Horn, born ca 1866. Whose child is this? Amanda's?

Arminta Esther Porter, daughter of Joseph and Mary Ann, married William Boyd, September 12, 1867, in Floyd County, Kentucky.

Mary Jane Porter, daughter of Joseph and Mary Ann, married James Wood, December 13, 1867, in Floyd County.

After Joseph died, Mary/Polly (Riddle) Horn Porter married Thomas Colegrove and lived for a while in Fleming County, Kentucky. By December 1880, Mary Ann is living in Pike County where her daughter, Victoria Porter, married Thomas Jefferson Johnson.

Mary Ann (or Polly Ann) Riddle Horn Porter Colegrove supposedly died in Pike County, Kentucky, about 1902. Does anyone know where she is buried? Any help on any of these families would be deeply appreciated.

TOLER/TOLAR/-

TOLLER/TOWLER, ETC.

Anita Toler Baudean, 100 Neil Avenue, New Orleans, Louisiana 70131, has gathered many Toler, various spellings, marriages before 1835. She has this in a booklet and if you are working on this surname you might like to buy a copy for \$5 from Anita. Most of these marriages are for the states of Virginia, North Carolina, and Kentucky. The booklet has 21 pages of marriages.

WHITE-ADAMS

James H. White, Route 3, Box 43T4, Castlewood, Virginia 24224, is still looking for information on Alfred White, born ca 1809, and wife, Elizabeth Adams, born ca 1826. They were both born in North Carolina and were living in Wise County, Virginia, before moving into Letcher County, Kentucky. Their known children were: 1) McCager White, born September 22, 1847, died March 22, 1912, in Pike County, Kentucky; 2) Sa-

13, 1850; 3) James H. White, born June 11, 1852; 4) John White, born ca 1857; 5) Malinda/or Belinda White, born ca 1859; 6) Nancy Jane White, born February 16, 1860; 7) Robert White, born ca 1862 or March 15, 1866?; 8) Margaret White, born ca 1864/or August 15, 1863; 9) William Albert White, born July 22, 1868; and 10) Elizabeth White, born ca 1871.

McCager "Cager or Kager" White and his wife, Freeloove, had Harriett White, born ca 1874; John W. White, born ca 1875; Mary White, born ca 1877; and Rainey White, born ca 1879. There were probably other children born between 1880 and 1890.

If anyone knows who the children of Alfred and Elizabeth married, where they lived or died, please write to Mr. White.
YATES-WOLFORD

Mable C. Jessee, 510 South 24th Street, Philadelphia, Pennsylvania 19146, needs information on John G. Yates, born October 1838, probably in the part of Virginia that became Buchanan county. He married Matilda Wolford about 1859. She was born a February 1839. They are living in Pike County, Kentucky, in the 1870, 1880, and 1900 censuses. Their known children were 1) Mary Ann Yates, born ca 1860-61, married Jasper T. Colerian; 2) John Yates, born ca 1864; 3) Amos Yates, born ca 1866; 4) Alfred Yates, born ca 1870; 5) Cordella Yates, born ca 1873; 6) Kezia Yates, born ca 1875; 7) Vina Yates, born ca 1876; Jeremiah Yates, born ca 1878; 9) name unknown, was this child, Margaret Yates, who married Freeling Hamilton?

John and Matilda are still living in 1900 but I cannot find a John Yates of the correct age in 1910. There is a Matilda Yates, age 70, widow, in 1910, living with Margaret and Freeling Hamilton and listed as "mother." Was this Matilda (Wolford) Yates, widow of John? When and where did Matilda and John die and where are they buried? Who were their parents?

Any help on this Yates family would be appreciated.

Student assistance established in Pike

A group of educators, concerned parents, and representatives from various agencies, met at an in-service recently for the purpose of organizing a student assistance networking system to better meet the needs of students in Pike County. Shoney's Restaurant in Pikeville hosted the meeting. The following individuals shared information concerning services offered by their various agencies.

Glenda Lyons, court designated worker, explained her role as "interceder" for students before they actually go into the court system. She also explained other services provided through her office, in working with juvenile offenders.

Agatha Johnson, Department of Social Services, described the duties of the two branches of her office, which are the Family Service Team and the Intake Team. She explained that they go into schools upon request and offer a variety of services.

Len Gieslar, a member of the Family Service Team, stated, "The ultimate goal of our office is to power the family to function. You must hammer at the major problem first. We have generations of dysfunctional families and we need to teach parenting skills in many instances. I find most problems with children are solvable."

Larry Osborne, director of Project Esteem in Pike County, stated, "Networking with agencies and businesses in the county has been instrumental in the success of our program. Parental support and involvement is also an important factor as our teachers make home visits and attempt to keep in close contact with parents."

Lola Beshear, with Mountain Comprehensive Care, talked about the substance abuse problems facing society. "The generation facing the drug situation now is the one that will be taking care of us in a few years. We must begin addressing these is-

abuse to women has risen 700 percent in the past few years; of more than one million drunken driving arrests, 510 are under 10 years of age.

A video, "Rising to the Challenge" was part of the presentation. It dealt primarily with the dangerous side effects of heavy metal rock music that is so much a part of society today and is having such a dramatic influence on the lives of the young people.

According to the video, the music centers around five main themes: abuse of drugs, suicide, graphic violence, graphic and abusive sexuality, and the occult.

These themes promote drug abuse, incest, casual love, violence, rape, suicide, sado-masochism, and sexual perversion, through implicit, explicit sexual activities. The dramatic rise in Satanism is also attributed to these themes.

Pike County O exhibit Pike C

Again this winter, the Pike County Offices of Prestonsburg Community College will feature art exhibits of the works of Pike County artists. As in the past, each artist's exhibit will be featured for one week, from 8 a.m. until 8 p.m., in the college library.

Jane Raines' will display her works from October 29 to November 2. Raines, who is 23 years old, said she has been drawing for as long as she can

Zandra,

Yes, our family is very interested in the Mills-Riddle material. Please send to:

Yesterday, I discovered a Polly (Mary Ann) Riddle living with the Thomas Jameson family as a child. Thomas Jameson (from Washington County, Virginia) married Rachel McCulloch (from Albemarle County, Virginia). Polly appeared to be adopted or something. The date ranges in the Jameson genealogy were consistent with Polly's birth date.

I do not know if this Polly Riddle is related to the one who married William Mills. However, William Mills did originate in Washington County, Virginia. Perhaps you see some additional connections?

Dear Zandra,

I was so pleased to get your letter and information. Yours was the only answer I received, so believe me I was overjoyed.

You may not be too happy with me over the Horn family as I am even more puzzled by my recent discovery. Dorcus was being very helpful and put the article in the paper for me, but I believe she was incorrect in assuming Amanda was John Horn's daughter. She went by Amanda Porter, until 1870 census, when she appears as Amanda Horn and followed by four year old John Horn. This John must have been her son, but I don't know who the father was yet. Was she also married to a John Horn? My grandmother Victoria America Lee Porter didn't have a brother named John. In 1880, Victoria, John Colegrove and her mother, Mary Ann Riddle Horn Porter Colegrove, were living in Pike Co. Later the same year, Victoria married Thomas Jefferson Johnson of Lawrence Co.

I am copying all the marriages from a book (Kentucky Marriages) in our Library on the families I know of from Kentucky. In my search the other day I found the following:

Mills, Amanda Riddle m Vaughn, LeRoy- Dec 26, 1829-Floyd Co.

I can't explain this, but I intend to keep searching. Does this confuse you even more? Was this Amanda related to my Mary Ann? Were they sisters? I think I need to send for the marriage license for this Amanda to LeRoy Vaughn. Which Mills was she married to?

I'm going back to the Library tomorrow and see if there was more on the Bevin's family that I didn't copy. Under Scott Co minute book # 1 it mentions a Thomas Bevers and wife, Elizabeth. It is listing all the Samuel Porter children. Do you think this should have been Bivens and someone could not read the writing? I would like to see a copy of the original and judge for myself.

I'm sending some sheets that may be repeats for you, but I won't make sure we both have the same things and maybe between the two of us we can figure them out. I don't think they realized what trouble they were going to cause for all of us.

Now I'll try and tell you as much as I know. A Thomas Riddle married Mary Dean in Greenville Co, Va, Jan 17, 1792, and in

1799, Mary gave birth to Mary Riddle (my gr-gr-grandmother). This Mary Riddle married a Riddle (John, I beleive) and gave birth to Mary Ann Riddle in Wythe Co, Va on Dec 25, 1822.

Soon after he died and Mary Ann became a ward of Thomas Jamerson of Washington County, Va. He died about 1833 and Mary Ann became a ward of Hiram Fleenor of same county, Jul 25, 1836. In 1820's, second Mary Riddle married William Mills, I beleive in Washington Co, Va. They later moved to Floyd Co, Ky. Mary Ann Riddle married John Horn in Floyd Co, Ky, Aug 14, 1839. On Nov 17, 1841, Mary Ann married Joseph Porter of Pike County. Joseph died about 1868-69 in Floyd Co, Ky. Early 1870's, Mary Ann Riddle Horn Porter married John Colegrove and died abt 1902. Mary Riddle Mills died Dec 20, 1853 in Pike Co, Ky. Victoria Porter Married Thomas Jefferson Johns(t)on in 1880. Thomas Johns(t)on's sister, Tabitha Johnston married Thomas Colegrove, a brother to Victoria's step-father. This Johnson (Johnston) line is really giving me problems.

I will get some more together as soon as I can and send it to you. I would love to have whatever you have on Joseph Porter as what I have is very sketchy. Let me hear from you when you get a chance and you will never know how much I appreciate your help and hearing from you.

Good Luck,

Oma

Zandra, You and Shirley & Gene Horn of Columbus are the only ones I have corresponded with on this family. Gene is thru John & Manerva Horn. I don't know if she has John's death cert or not. I don't have Mike's. He died 10 July 1948 on Turkey Creek in Martin Co. There should be one in Frankfort, but I have tried others after the date they were required & they just weren't there, but I don't even remember if I tried to get his or not. I tried to get Vashti's when we were in Charleston recently, but it wasn't on record. She died in Logan Co WV at her daughter's. The man at the archives told us that even when required, sometimes in the more mountainous areas, they just weren't recorded.

Do you have certificates for all the others that you didn't list? We would have to have death dates to order them. I have Mary Ann as dying 22 Feb 1935. She is buried in the Jarrell Cem. Elizabeth Alley d 5 Jan 1946 & Dorcus d Aug 1918. There is a book I have seen in Ashland KY with the death index, but don't know when we could make it down there. It is nearly a four hour drive from here. Someone on here used to have the index, but not sure they are still here. Wouldn't hurt to try getting them. Let me know what you want me to do.

You know, according to an obituary I have for John Bascom Horn (Edward & Arminda Horn's son, my great great uncle who raised my grandmother Dora Horn Cassel), LYDA [Williams] & PRICIE [Lee] are referred to as John Bascom Horn's sisters, thus also making them Arminda's daughters...I don't understand where Moses Ball comes in, or even who he is...does it say he is the uncle or father of Lyda & Pricie?

Also, my grandmother refers to Arminda as "Arminda Ball Hess Horn". Sounds like she and her sister?? Cyrenna married into or just had children with the same Hess family. I've also heard people in my family talk about being related to George Washington, and I know that there is a Ball family related to him, but I haven't found success in tracing this.

...I think your notes on the Ball family will prove very helpful!!!

Have fun babysitting! Talk to you soon!

Hi Zandra,

Glad to hear back from you. I have the dates of Luther Horn being born on November 30, 1921 in Martin County, KY and died May 7, 1993 in Floyd County, KY. Do you know if this information is correct? I also show Luther as having a sister by the name of Alice by the same mother (Patsy), but don't have any dates for her. For Luther's father I show him as having been married twice. First to Laura Mills, who he had seven children with and second, to Patsy Muncy. I don't have any wives or children for Luther. Do you know anything about the family along these lines? Was Luther a close relative of yours, or a distant cousin? Would you by chance have a photo of Luther? Any help would be greatly appreciated!

Hello,

Yes, I can help you with you questions on the Horn family. Have spent the last 30 years working on the Horn's. I was not born in Martin County. As my father moved away in 1941. Have been back there to visit and do genealogy. When I begun my research back in 1973. Did not realize that my grandparents Isaac Horn and Frances Williams, were both related by the Horn side.

My grandfather's' line:

Horn, Frederick	and Katherine ---
James	Jane Mullins Hobbs
Frederick	Mary Ann Jarrell
Isaac	Frances Williams
Benjamin	Myrtle Jean Joy
Zandra	

Grandmother's line:

Horn, Frederick	and Katherine
Michael	Susannah Crum
Christiana	Felix Hammonds
Hammonds, Lydia	George Robert B. Williams
Williams, Frances	Isaac Horn
Horn, Benjamin	Myrtle Jean Joy
Horn, Zandra	

Ask away and I will help you. I do not work now, on disability. Have all the time in the world to help you with the Horn Family. Also I have information on the woman and there lines. Have been reworking my notebooks and think they are shaping up.

Where do you live at? I live in Napa CA. I work on genealogy the major part of each day. We have a small library in town and I go there about twice a week and research there. The library is closed now for the holidays. If I had my way it would still be open. I believe GENEALOGY comes first.

George Kidd was in William H. Sower's company, Regiment of Kentucky Volunteers, for three years and was discharged July 17, 1865.

HORN

The first record of the Horn family in the county is that of the marriage of one Martha Horn, daughter of Frederick Horn, to Thomas Mosely, April 14, 1834.

In 1848 Jonathan Horn (1823-1859) married Eliza Ann Smith (1825-1905), daughter of William Woodson Smith and his wife Polly Ward (see Martin Smith family). The relationship of Jonathan Horn and Frederick Horn is not known. Jonathan Horn lived on a farm near the Bend of Tygart Creek and Mt. Zion. Here three children were born: William, John, and Ada Elizabeth.

In 1873 Ada Elizabeth Horn (1853-1938) married Thomas Lawson (1843-1918), grandson of William Lawson, who owned much of the land on which Portsmouth is located. Thomas Lawson had a store at Middleport, Ohio, where the family lived a number of years. Their four children born there were Earl, Ernest, Marie, and Maude Eliza. Marie died when a child. Later the family moved to Portsmouth, where Mr. and Mrs. Lawson spent the remainder of their lives.

In 1906 Maude Eliza Lawson married Asa B. Dawson in Portsmouth and they made their home in Michigan. Their children are Charles of Jackson, and Betsy, wife of Mark Stevens, of Grosse Pointe Farms, Detroit.

HOWE

James Howe, the son of John and Mary Howe, was born in Montgomery County, Virginia, in 1774. His father was a soldier in the Revolutionary War, and James, when a boy, carried dispatches for the army. Later he was a major in the War of 1812 at the Battle of New Orleans. (see James Gilruth letters).

James Howe married Martha Hood, a sister of Andrew Hood, an early pioneer of Greenup County. They lived above Greenupsburg on Town Branch, near the Hood family, and later moved to Oldtown, where they built a brick house, said to be the first brick house in the county. Their home was known as "Willow

Dear fellow researchers,

I have recently come by your names and was wondering if any of you might be able to help me. My GGGGGrandmother was Mary Ann Horn. According to her family bible she was born on 6/28/1812 in KY. On 3/4/1826 she married William Crum and had a large family. She is found in both Lawrence Co. KY and Wayne Co. WV. Can any of you tell me who her parents were or might have been. She was most likely married in Lawrence Co. KY. I would appreciate any help or clues that you might be able to give me. Thanks in advance.

Ps. I realize that this is the holidays and so I will be patient! Thanks again, Corri Johnson

I am also trying to search my family history. My mother was Norma Crum, daughter of Randolph and Laura Crum buried at Jarrell Cemetery, in Warfield, Ky. Randolph Crum's parents were Jesse and Jane Crum. Laura Crum's parents were Polly Ann Horn and Bud Harris. So far, that's all the information I have been able to find. I do know that the Jarrell's that are buried in the cemetery there are related, but not sure how. If these individuals are part of the same family, please let me know. Thanks

I have a have information on my Horn's ancestry back to James Horn, b1824. However, I am very much interested in locating any information on my gggrandfather William C. (Bud) Harris who was married to Mary Ann (Polly) Horn. I have not been able to locate any infor him with the exception that he was in the Civil War and that he died on an Ohio River on a logging boat and was buried on a river bank. If you have any info on him would really appreciate it. I will be happy to mail you what I have on the Horn's if you don't already have it.

Hi Zandra

I have found a lot of info on Matthew and Alice Horn. Except there is a puzzle it looks like my grandpa James Horn was married twice and what kids are by his 1st wife and how many kids did he have with Vashtie Copley?

Also my husbands grandparents Johnny Moore and Mary Jane (Moore) Moore and William (Bill) Jarrell and Dicie Muncy we are drawing a blank on some of the info. So anything you have would be helpful.

Hi Zandra,

I have been going through a stack of paper and came across an OBIT for Ada Horn Kirk.

Ada's parents are Michael and Vashti Harvey Horn, brothers and sisters are as follows: Allen, Garfield, Will, Minnie, Rosie, Elizabeth, Pearl, Vada, and Lucy.

Her birth date was 11 Aug 1898, Inez, KY.

My question is: Who are Michael's parents?

I have found Michael and Vashti on the 1880 Martin Co., Ky census with a son William, age1. The 1900 Martin Census with the other children.

In a computer printout that you sent in 1995, you have a Michael Horn m to Rachel Hensley, but do not have a date or place. Michael is the son of Michael Horn and Susanna Crum. Was he married twice? Is this the same Michael? I was under the impression that Ada and my father were cousins. I thought it was the Horn line. Am I wrong? I get confused.

Thanks for any help.

My great grandmother was Rebecca Hensley (b. 10/1886-d.1928?) who in 1904 married Simon Horn (b.12/1882 - d. 1959?).

According to 1900 Census of Martin County I show Rebecca having a sister named Canola or Carola (b. 3/1895)

I also show Simon as having a brother William (b. 1/1889)

Sound like the right folks?

Let me know!

Thanks!

Hello Zanda,

Thanks for writtng. I'm more of a internet researcher, so I don't have much original material.

My line is: Michael Horne, Rufus Horn Jr., Rufus Sr., John, James, then, Frederick.

I have some good info for Rufus Sr, and down, and I'm shortly expecting to get copies of alot more original info from my relatives who have been doing the Rufus Sr. & Emmaline Johnson Reunion. They want me to put it on the computer in time for the next August reunion.

I'm interested in:

1)parents/sibs for Frederick Horn and Katherine

2)parents/sibs for Henry Crum and Martha Horn

3)do you show a non-married relationship between

Jesse Crum (s/o Henry Crum and Martha Horn)

and

Martha Horn (d/o Frederick Horn and Katherine).

I have information of 3 children who went by Martha's first husbands name of Mosley. (from Louise Perkins)

The information I have on the Horn's concerns Sam Horn and Dixie Hammonds Horn mainly, however the other Horn's are in the Mills and Crum family also. I have information a man in Martin County did by the name of Floyd Horn(e) He is the grandson of Frederick Horn and Mary Jarrell. He did a lot of work and his daughter is currently carrying on the work. I will get her name and let you know. Martin County now has a Historical Society and I was thinking about joining. When I get all the information on this I will e-mail you, which will be next week. I worked on a project called 2001 and this was one of the goals of the project. I am currently in contact with the Economic Development Director here in Martin County and the Judge is proposing setting up a Tourism Council. I tried to do this on my own without the help of government but it went through the floor.

I will let you know about the information as soon as I can.

waters of Pigeon Creek from 1843 to 1859. By 1870, he and his wife were living at their old homestead on Pigeon Creek. They reared a large family and many of their descendants live in Logan and Mingo counties.

MOSES MAYNARD (1766-187?)

WILLIAM MAYNARD, father of Moses, was living in Chatham County, North Carolina, during the Revolutionary War. The names of his parents, his wife, and the place of his birth are unknown.

According to an account published in the *Louisville Courier-Journal*, June 30, 1874, Moses Maynard was born October 18, 1766, in Chatham County, not far from Hillsboro and near the Blue Ridge.

Moses Maynard married Sarah Greenstreet in North Carolina *circa* 1800. She may have been a daughter of Betty Greenstreet, who was living in Wilkes County, North Carolina, in 1790, with two sons and one young daughter. Sarah died in 1847 in Madison County, Indiana.

After their marriage they came to Pike County, Kentucky, and acquired land and lived there until about 1833, when they emigrated to Madison County. There they lived and died. Moses died June 15, 1874, and tradition says that he was 107 years of age at his death. Their children were: (1) William. (2) Julia. (3) Betty. (4) Richard, who married Charlotte Taylor, daughter of John W. Taylor, in 1833, in Pike County. (5) Jane ("Jenny"), who married Adron Runyon December 23, 1824, in Pike County. (6) Barnabeth. (7) Christopher. (8) John. (9) Charity. (10) Susie. And perhaps (11) Louis.

The 1820 U.S. Census of Floyd County lists William Maynard, who was probably living on Johns Creek, which later became a part of Pike County. The census indicates that William was born *circa* 1750. He may have been the father of Moses Maynard or perhaps a brother.

In his story to the *Louisville Courier-Journal* reporter,

Moses said that he remembered when British soldiers, seeking information of his father's brother who was a revolutionary soldier, whipped his father in the cornfield.

The 1820 U.S. Census of Floyd County lists Moses Maynard, his wife, six sons, and four daughters. Moses and his wife were between twenty-six and forty-five years of age. Apparently they lived on Johns Creek.

The 1830 U.S. Census of Pike County lists Moses Maynard, his wife, three sons, and two daughters. The census indicates that Moses and his wife were *circa* fifty-four years of age in 1830. Tradition says that Sarah, Moses' wife, was six months younger than her husband.

The 1870 U.S. Census of Madison County lists Moses Maynard living with his son Barnabeth; and his age is recorded as 106 years. However, the *Louisville Courier-Journal* account gives his age at 107 in 1874. Apparently these two dates are erroneous. It is true that Moses Maynard was a very old man at his death, and he was probably ninety-seven years of age. His birth date may be October 18, 1776. Henry, John, and Josiah Maynard (Mainer) served in the Revolutionary War in North Carolina. Their relation to Moses Maynard is not known.

Nathaniel and Henry Maynard served three years in the Revolutionary War in the Virginia line. Nathaniel was granted 200 acres of land and Henry 100 acres for their services. Their relation to Moses, if any, is also unknown.

The Mainards, Maynards, or Maignards came to England with William the Conqueror, and the name appears on the lists of his adherents in 1066.

After the Conquest the Maynard family was seated in Devonshire and held estates in Kent during the early period. The younger branches established the Hertfordshire and Essex county house.

It is thought, and tradition says, that there were three Maynard brothers who came from England to the Colonies; and this may be true, as the names of Henry, Thomas, and James occur in contemporary early records of that period. They were granted large estates in Maryland, and the Amer-

ican Maynards may have descended from Henry, Thomas, and James Maynard.

((I am also searching for ancestors of Moses Maynard and Sarah Maynard from around Martin Co., KY. They had a son named Isaac. Isaac would have been born around the 1890's or 1900. Thanks for any help you can give me.)))

Josephine Mosley was said to be a Hagar. However, in vital stats, a daughter, Josephine, was born to Malinda Mosley and Lewis Mead.

Ben Mosley lived with cousin Rosa Mosley Horn until he married Jennie Blackburn.

Jeff Mosley's nickname was Buddy.

Off Civil Docketd, Martiun Co: John Mosley v. Elifare Mosley, Box 1

According to Rosa Mosley Horn, Susan Mosley, her mother, died shouting. She was a Methodist, was shouting all the time, had prayer meeting every couple of nights. She had Rosa baptized when she was three weeks old. Susan had pneumonia and while husband John, Geo. Horn, Jeff and others were out making molasses, Susan was on a bed in front of the fireplace. Before the men went out, John and Frances had cooked a squirrel they had killed two days before and kept down the well, and they had fed Susan the juice. Her neck and chest swelled up and when Dr. Fairchilds came he said she had been poisoned by the squirrel juice. Before she ate the squirrel Susan asked Rosa to give her some beans (pinto) Rosa didn't want to because the dr. had said not to give her anything but Susan begged for them so Rosa fed her beans. When Susan took a turn for the worse, Susan sent George for the rest of them. He had come home to get water. Susan's brother, Robert, was also making molassasa. About 8 a.m., about an hour after the others came home, Susan said "I'm going home" and she died.

Susan Mosley had a grey streak down the middle of her hair, just like her mother's, Margaret Horn Hobbs.

When John Mosley got sick he lived across the branch from Rosa in one of the three houses that Rosa and George owned. She and George went over there one day and found John laying in the corner on some corn shucks. Rosa had asked Pauline where John was and Paulina said she didn't know where in the hell he was. Rosa went in house and found her father and asked him to come home with them. Pauline threw an ax at Rosa and when Rosa picked up a polker to go after Pliny, Pliny said the ax had

slipped out of her hand. John said he would be all right and he would stay there. Said he had his shotgun which he kept by his side. George and Rosa went out of the house at night and go listen outside the cabin where John was to see if he was alright. John was a peddler of chicken and eggs etc.

The cabin had no table and was just two rooms. There was a box in the corner and one time when Rosa was there Pliny asked her to eat. Rosa sat down and had Pliny wait on her. Pliny called the whole family "dom family" (damn)

When John was sick he used a bottle of Three S a day. This cost about \$1.35 a bottle and he thought he had enough money to pay for it in the bank. If George Horn got the medicine from the drug store on credit and ran up a bill of about \$200.00. George went to the bank to see about the money. John had told him to leave three cents in the bank so it wouldn't cost him any money when he put some in again but when Geo. took the money out John had only 30 cents in the bank. George tried to sell the mule and a hog to pay for the bill but couldn't. After he died, George paid off the bill a little at a time.

8/4/1874

Alfarr Mosley, 2d marriage, 21 yrs. b. Wayne Co., mar. William J. Crum, b. Wayne, 20 yrs. 1st marr. Christopher Chaffin, surety, 3-4 P. 323

Once again Pliny threw an ax at Rosa and it stuck in the floor. She also threw shoes at her. Even though John was very ill, he picked up his buggy whip, standing on shaky legs and cracked the whip at her. Pliny had always gotten fabric and shoes when she and John went to town. After John cracked the whip at her, Pliny grabbed the fabric and the shoes and ran down the branch. She tried to sell the things to George Horn's parents but they did not buy them. She had fallen in the mud and rolled around so was quite a sight. She finally sold the items to the people who lived along the branch so everyone had an apron made of Pliny's fabric. Pliny told everyone John wouldn't let her have anything and throw her out and that Rosa and John had gotten her down and beaten her nearly to death. Rosa said it was not true. George's parents thought it was true and did not visit George and Rosa for five years. Rosa told her father - in-law that if he was a Christian he would not believe Pliny.

Pauline had done some strange things. She had rolled down rocks on the house for about three months, from up on the hill. She had been put away before.

When John met Pauline he had been to church and Rosa said Pauline cut a shine, shouting and speaking in tongues etc. No time at all until he brought her home. The first night they came home, Rosa and children fixed dinner. Pauline walked up and said she was her new mother and sat down and ate her three eggs and took John Mosley's two. Rosa told her she was no mother of hers.

When John died, he had his running blisters on his legs. Rosa thought it might be sugar. When John was dying he wanted to go to the house where Susan had died. Wanted to be in the same spot. George put a feather bed on a sled, covered John up to the neck. John said he would take "Old Jewell's" (mule) lines and put around his neck which is what he did, and George took him back into the cabin where Susan died. The bed was too big to fit in front of the fireplace so John wanted it as close to the fire as he could get to where Susan had been. Rosa and George tended him. John had to use the sloe jar about 7 or 8 times, as fast as it could be emptied. Said it looked like his puts were all cut up and looked like they were coming out. The doctor said it looked like he had been fed ground glass. John said he saw Suki sitting on the wall beckoning him with both hands. He also said one of his sisters was there beside her calling to him. He asked Rosa if she saw them and she said no but when he asked George he said yes, he saw them. John died then.

While John was sick, Mrs. Philips, a preacher, and Terence Mills came to see John and they wanted him to speak in tongue. They said if he gave them \$10.00

they would find a place in the Bible that would tell him how to speak in tongue. He said them over "Hallelujah" altogether. Finally Rosa told them to get the hell off the land and stay off. The house they were in, where Rosa lived, and where they first had John with them, was just weather boarded on the outside, nothing on the inside and it was so cold they nailed blankets or quilts rather, to the walls to keep the air out. John was over in the corner where the fire was. He had come to live with Rosa in the fall and died by spring. Jeff came once, he got the keys to the trunk and took out all the checks books and asked his dad where the money was. When he discovered there was no money, he never came back. He lived in Webb, W and never came to the funeral. Jeff was at his mother's funeral.

John wanted to be buried next to Susan and Susan's brother Michael. There had been a big snow so his body was loaded on a sled and taken to the burial place by George. Rosa doesn't remember how they managed to dig a grave.

While John was married to Pauline, which was only three or 4 mo. she had tried to poison the mules and horses. Her daddy wouldn't let her come in his house because he was afraid of her.

When John was married to Jane, he had to pass Harve's house on the way to work. Harve was very sick so John would stop and ask Harve's wife how he was. Jane would really raise Cain because John talked to his wife. On the day of Harve's funeral, John was in Vermont wedding and had told Jane not to go to the funeral. However, Jane went to the funeral anyway and when she saw Harve in the casket, she fainted dead, her arm fell in the casket.
